- 1 plan of action make as many copies as possible fax, mail, e-mail to all your loved ones in america, the world, have them also make copies, to protect them
- 2 some laws that you might find usefull u.s.code title 18,2511 2d not unlawfull when part of the conversation. u.s. supreme court phillips vs. united states 540 federal 2nd 319. wood vs fla 654 southern reporter 2nd 218. 2 law encyclope - dias america jurisprudence 23. model trials 48 almost 500 pages where tapes have been admitted in court, bay county florida july 6TH 2001 court case 000382c
- 3 some possible foreseeable self protection uses, dealing with nasty neighbors, cons, road rage confrontations, false promisers, scammers, liars, cheats, thieves, scammers, confidence games, phone trickery, attempted rapes, kid napings, unsure- uneasy situations, exaggerated claims, documenting actual conduct of public ser- vents, false testimony by many, nasty divorces, seperations, violence, threats
- 4 get the time, day, date, be polite, clarafacation of conversations purpose any body that objects to you protecting yourself, shall give permission for any body to false promise them, con them for the rest of their life, PUTING SIGNS ON PROPERTY
- 5 PUTING ADS IN NEWS PAPERS, AT MISSIONS, LABOR POOLS, JAILS, PRISONS, HOTELS, MOTELS, the real damage of a recording is when they deny the truth, then you got em under perjury, by inviting them to write down no knowledge of your claims
- 6 OLD TESTAMENT BEREKONOMY 17.18-19 10 COMMANDMENTS NO LIES NO LIARS my experience is anytime someone screams privacy or embarasing, has something to hide, an you can best bet it aint to your benefit, an they want to hide truth THAT COULD GET THEM IN HOT WATER
- 7 its also common when a non media person insist on getting to the truth of 501c3 "not for profit corporations" or government agencies, to be given the run around even threatened with calling the cops, PUTING FALSE COP RACKETERING TRAPS PASS WARNINGS, HIDE TRUTH
- 8 fact if someone violates you with trickery or persuasion if DOSENT leave as easy of a traceable trail as if someone uses violence, maximumizing victims! I PROTECT THE WIDING INTENDER OF DEER
- 9 facts are the day all government, 501c3 publicly supported agencies have large easily seen signs encouraging you to record their actions, conduct to weed out the undeserable public servants that discredit the many dedicated people hav- a toll free complaint phone number for all of u.s.a. is the day we have true governmen acountability, with easy varafiable investigative proof. U.V. RADIO, NEWS PAPERS, NEWS MEDIA
- 10 why hasent there ever been a law anybody that intends to con, scam, trick, lie threaten, falsely promise that they would first have to warn them before doing it?
- 11 how many people are rotting in jails, prisons, wishing they had used a tape reo- order to prove their innocence, who were set up, falsly acused.?
- 12 key words: public=other than individual private=individual only permission== forceable invited conduct, charaterictics secret=not volunteered RECORD=TRUE INTENSIONS
- 13 RACKETEERING, COP PROTECTION, FEAR INTENDATION, PROTECT WRONGS just who are the low lifes who decided it is better for many victims to have almost no prevention protection, to terrorize them with lies, that should they perseve their corruption in the act of doing it they, would be severly punished more than the orginial low life causing the inocent victim to take protection action in the first place? an just how many so called careing cons posing as public protecters profit directly or indirectly off of victims losses?
- 14 what would happen to the worlds scammers if large signs were every where encourag- ing, an educating the public how to best to use a tape recorder, to catch cons?
- 15 secrecy = isolation isolation = frusturation frusturation = corruption
- 16 acual, potential wrong doing can never have societys protection, or aproval
- 17 true law, that which is ruled by morals, an not necesarily written on paper
- 18 fact: at one time it was a crime to teach certian people to read, write, so they could more easily preserve, document evidence of a cruel nasty overseer.
- 19 does someone who has evil intensions, actions, plans, get permission to first spring them on the unsuspecting trusting victim?
- 20 asint your well being worth a 25 dollar investment?
